

1:15-cr-9

I am writing you to let you know that I would like to be considered for an earlier release. I have been on supervised release for almost three years. In that time frame, I bought my own home for my family, and I and I have full custody of my son. I have kept a steady job since I was released and became a Maintenance Supervisor over several apartment complexes in Chattanooga. I have not had any infractions since released, Thank you for taking the time to read my letter and hopefully consider me for an earlier release.
